THE WHIST CLUB.—Under brilliant auspices "The Whist Club" made its initial bow last night, entertained by the charming and versatile hostess, Mrs. Marshall Jones. A novel surprise in the menu, incident to the season, was a "Thanksgiving pie," a huge pumpkin, beautifully decorated and filled with soups for each guest.

"When the pie was opened," in addition to the club members, were several outside guests. The prizes, a handsome salad bowl and stein, were won by Mr. Prosser Holcomb and Mr. Henry Wall, "on a tie" and Mr. Armstrong and Mrs. Foster, resulting in Mrs. Foster and Mr. Wattles winning.

RECEPTION.—Mr. George Schriener, of this city and Miss Ida Marie Rudolph, of Baltimore, were married at the home of the bride in the latter city Wednesday night, and held a reception at their future home on South St. Asaph street, last night. A large number of the friends of the newly-married couple were present and the festivities were enjoyed by all. The Mandolin Club were present and discoursed on lively music during the evening. Choice edibles, &c., were in abundance, and the guests ate, drank and were merry, and the hour was late before the company adjourned.

EAGLE KILLED.—While Mr. Robert Arnold was gunning near Mount Vernon yesterday he shot and killed a grey eagle, which measured 7 feet, 2 inches from tip to tip. The eagle had just caught a squirrel and as he arose with his prey Mr. Arnold shot the big bird, which fell just inside the Mount Vernon enclosure. He brought the eagle to this city and today displayed it in front of his oyster house on north Royal street.

CHANGE OF SCHEDULE.—By the recent change in the running of the morning west bound mill and express train on the W. & O., the train which heretofore left this city at 7:58 now leaves at 9:08 and passes Leesburg at 10:42, arriving at Bluemont at 11:30. This is the only train affected by the change.

WILL PROBATED.—The will of Mrs. Robert S. Murdaugh was admitted to probate in the Corporation Court today and her son, Mr. Albert Murdaugh, qualified as executor. The deceased divided her household effects among her five children.

THE BEST PRESCRIPTION FOR CHILLS AND FEVER is a bottle of GROVE'S TASTEFUL CHILL TONIC. It is simply iron and quinine in a tasteless form. No cure—no pay. 50c

There is no pleasure in life if you dread going to the table to eat and can't rest at night on account of indigestion. Henry Williams, of Annapolis, Md., says he suffered that way for years, till he commenced the use of Kodol Dyspepsia Cure, and adds, "Now I can eat anything I like and all I want and sleep soundly every night." Kodol Dyspepsia Cure will digest what you eat.
